Paying Taxes—In spite of the alleged hard times the collection of taxes by the Idaho county authorities proceeds without hitch. Over \$22,000 of the quota of 1923 has already been paid in, much more than there was any reason to expect.

Administratrix Appointed—Probate Court, Judge J. P. Lujan presiding, was at Sierra Anserilla, and Mrs. A. J. J. Batters, widow of the late George W. Batters, who died on the 19th instant, was appointed executrix of his estate, it being quite valuable.

Galinas Canyon Coal—Jim Leonard was at Las Vegas from Trout Springs. He brought word that the diamond drill, which was sent out to Max Nordhaus' coal mine had begun operations in a five foot vein of excellent coal. There ought to be something doing in the coal line out in the Galinas canyon before long.

One of Her Limbs Injured—Mrs. H. L. Oakes of Silver City, met with a peculiar accident one day last week. In ascending a slight rise in the ground in the rear of her residence, a tendon in the calf of one of her limbs, snapped loose, precipitating her to the ground. Medical attendance was summoned and the injured member treated. The injury, while not serious, is very painful.

Runaway Boys Jailed—The three young runaways from Florence, Colo., who were taken into custody by City Marshal Curtright, Las Vegas, have been given six days in the county jail here, wherein to think over their past sins and form better plans for the future. Before the expiration of their term, word is expected from their homes directing what further steps shall be taken.

Silver City Bank—The annual election of the directors and officers of the Silver City National bank took place last Tuesday afternoon at a meeting of the shareholders. The directors as elected are: W. D. Murray, John C. Curdren, W. N. Coler, Jr., J. W. Carter and T. L. Lowe. The directors then met and elected the following officers: W. D. Murray, president; John C. Curdren, vice president; J. W. Carter, cashier, and T. L. Lowe, assistant cashier. The newly elected officers are all thoroughly competent and highly respected citizens.

Snow Up North—It snowed last night, just as Mr. Brandenberg said it would, says the Optic. It was a beautiful white world upon which the eyes of Las Vegas people opened this morning. However, the snow was of little depth, only two inches having fallen. The snow extended no farther north than Silver City, but it is believed to have been heavy and far extended toward the east. The mercury slid down to nine above last night. The maximum yesterday was forty-one. Generally fair weather is reported for tonight and tomorrow with rising temperature in the north tomorrow.

Union County All Right—H. E. Gooney, the well known stock man, brings some good word from Union county. He says that during the past year the rate of improvement in the condition of stock in the county, as shown by the official reports, is 67.10 per cent during the past year. This improvement, Mr. Gooney ascribes to the excellent sanitary conditions which prevail in the county. The gentleman speaks in the highest terms of praise of the efforts of S. L. Mitchell, the sheep sanitary inspector for the district. He has been unwavering in his insistence that all stock sent out of the district shall be in the best of condition, and he knows no fear and no favor in the performance of his duties.

Plenty of Fuel at Roswell—Roswell is fortunate in one respect in regard to the fuel question and that is that when the supply of coal becomes scarce, there is an abundance of wood brought in from the mountains. The money that is paid out for wood is expended in Roswell or the near vicinity, and this is not the case when coal is bought, as much of it goes to swell the purses of the Kansas or Colorado coal barons.

Elks Will Dance—The lodge of Elks of Santa Fe will give a ball at the Palace hotel on February 12, complimentary to members of the lodge and their friends. No tickets will be sold and only those having invitations will be admitted. As it is impossible to accommodate all the friends of the Elks on this occasion, those not receiving invitations will be remembered at the next ball to be given in the near future.

Gallup Knights of Pythias—Thursday evening the Knights of Pythias installed the following officers: C. C. Mills, Warden; V. C. Robert, Hodson; Preface, Martin Gled; M. of H., Joseph Koenig; M. of W., P. Kuckenbecker; M. of W., Gus Stromberg; M. of A., A. Coloni; I. O., John C. Sharp; C. C., P. J. Brown. The installing officer was D. G. C. Martin Gled. The rank of Duke was conferred on K. K. Smith.

Raton Fire—Wednesday morning about 4 o'clock the drowsing city was aroused by the screaming of locomotives, followed by an occasional hoarse blast from the deep toned round house whistle, says the Raton Gazette. Many citizens arose from their warm beds to learn the location of the fire. It was found to be in the terrace of a boarding house on Second street, owned by D. G. Dwyer. The fire broke out promptly and did some excellent and effective work. Two streams were soon playing on the flames which were gotten under control only after the roof and a part of

ALWAYS TIRED NEVER RESTED

To be tired and feel hard work or bodily exertion is natural and is the remedy, but there is an exhaustion without physical exertion and a tired, nervous feeling—a weariness which is not in the muscles but in the system. One of the chief causes of this "Always tired, never rested condition" is impure blood and bad circulation. Unless the body is nourished with rich, pure blood there is lack of nervous force, the muscles become weak, the digestion impaired, and general disorder occurs throughout the system. Debility, insomnia, nervousness, indigestion, dyspepsia, loss of appetite, strength and energy, and the hundreds of little ailments we often have are due directly to a bad condition of the blood and circulation, and the quickest way to get rid of them is by purifying and building up the blood, and for this purpose no remedy equals S. S. S., which contains the best ingredients for cleansing the blood and toning up the system. It is a vegetable blood purifier and tonic combined, that enriches the blood, and through it the entire system is nourished and refreshing sleep comes to the tired, never-rested, body.

For over four years I suffered with general debility, causing a thorough breaking down of my system. My system was badly affected by S. S. S., told me about it. I tried it and it cured me. I heartily recommend it to all who may feel the need of a thoroughly good blood tonic. Yours truly, MISS JOSEPH A. BRITAIN, 44 W. Ninth St., Columbia, Tenn.

looking to Dr. Westlake, turning both the hospital at Albuquerque is but very little improved. His mother, Mrs. M. M. Flasher and sister, Mrs. Robinson of Winslow, have gone to Albuquerque to visit him for a few days.

Dr. Clayton and family have moved into Mrs. Theo. Maxwell's residence, at Maxwell and daughter, Miss Emma Patterson, will leave the first of February for Mt. Washington, Mo., and from thence to Anthony, Mo., where they expect to make their home.

Lewis Samide, a miner at Clarksville, who went to Los Angeles some time ago to be treated by the oculist, Dr. Church, had to have his eye removed. He is now in the hospital in that city. His friends there, among whom are Worth Keene, are doing all in their power to make things pleasant for him and to relieve the monotony of his confinement.

Rev. Carlisle P. B. Martin, L. L. D., Waverly, Texas, writes: "Of a morning, when first rising, I often find a troublesome collection of phlegm, which I cough, and it is very hard to dislodge; but a small quantity of Hallard's Horehound Syrup will at once dislodge it, and the trouble is over. I know of no medicine equal to it, and it is so pleasant to take, I can almost cordially recommend it to all persons needing a medicine for throat or lung troubles. Price 25c, 50c, \$1.00 a bottle at J. H. O'Reilly Drug Co."

HILLSBORO

From the Advocate.

Hermosa has the measles. More snow on the range Friday morning.

Mr. and Mrs. F. A. Calhoun of Cochillo, are happy over the arrival of a new baby girl.

Rev. Hammond of Albuquerque preached in the Union church last Sunday morning and evening.

The measles epidemic having about spent itself, the public schools will reopen on Monday, January 25th.

Frank Sears, who was held for theft and making a gun play at Lake Valley, had a trial at Lake Valley and was turned loose.

Dr. P. I. Given received a wire announcing the arrival of a light girl baby at the home of Mr. and Mrs. A. J. Keith, at Napim, Mexico. Mrs. Keith was formerly Miss Ella Sanderson of this place.

Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious conveniences of coughs, colds and bronchial affections by the regular use of Dr. Roschke's German Syrup. It will promptly arrest consumption in its early stages, and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get this reliable remedy at drug stores. Price 25c and 50c.

A Prisoner in Her Own House.
Mrs. W. H. Layne, of 1091 Adams Ave., Kansas City, Mo., has for several years been troubled with severe nervousness and at times a bad cough, which she says, "Would keep me in doors for days. I was prescribed for physicians with no noticeable results. A friend gave me a part of bottle of Chamberlain's Cough Remedy with instructions to closely follow the directions and I wish to state that after the first day I could notice decided change in the better, and at this time after using it for two weeks, have no hesitation in saying I realize that I am entirely cured. This remedy is for sale at all drug stores."

UNIVERSITY NOTES

Working Bros. have completed the campus well, having reached water at a depth of 200 feet, and have located it to the bottom. When the brick contractors shall have finished their work, a pipe will be sunk to the water flow, and a windmill on a 100 foot tower will raise the water to the surface.

Tonight at the School of Music call, the Orpheus Concert company will give an entertainment. This is not one of the regular course attractions. The charge for admission will be extra.

The College club held its weekly meeting on Tuesday afternoon to debate the relative merits of scientific and classical subjects in the curriculum.

Oliver Van Wagner, who has been a student in the university for a number of years, has left the institution and will hereafter reside in La Junta, Colo.

In addition to other student enterprises, a collage play is being planned. The committee in charge consists of Miss Hickey and Mr. Asplund of the faculty, and Miss Manwaring and Mr. Worth of the College club.

On Thursday morning, President Tipton addressed the students on the subject of concentration of energy in the accomplishment of tasks assigned. In the organization of society, each individual has an aptitude to perform, and his usefulness and value will be measured by the degree of thoroughness, accuracy and quickness with which he fulfills his duty. President Tipton used as his text Robert Mather's "A Message to Garcia."

The boys of the Tri-Alpha fraternity gave an enjoyable hour warning in their new hall in the library building, last night. These young men have shown commendable enterprise in securing and furnishing a "rest" room for business and amusement. Cards were the order of the evening until refreshments appeared to bring the meeting to a close.

The Beta Beta society is holding its semi-monthly meetings and is doing good work in domestic. As the organization grows in years and numbers the interest in and fidelity to the society increases.

Home's Handbook der Lateinischen Land- und Forstwirtschaft has been added to the library of the classical department.

Miss Brown's history class debated the question of arid land irrigation yesterday afternoon. Students from other classes were present to hear the arguments.

In the basket ball game Tuesday evening the Tri Alpha boys were defeated by the Albuquerque Bachelors by a score of 21 to 12. They were shown their weak points and will undoubtedly do more conscientious practicing hereafter.

Among the new classes organized are stenography, advanced algebra, trigonometry, colonial history, Horace and the Iliad.

Cured After Suffering 10 Years.
B. F. Hare, Hopt. Miami Cycle & Mfg. Co., Middletown, O., suffered for ten years with dyspepsia. He spent hundreds of dollars for medicine and with doctors without receiving any permanent benefit. He says, "One night while feeling exceptionally bad I was about to throw down the evening paper when I saw in it the paper regarding the merits of Kodol Dyspepsia Cure. I concluded to try it and while I had no faith in it I felt better after the second dose. After using two bottles I am stronger and better than I have been in years, and I recommend Kodol Dyspepsia Cure to my friends and acquaintances suffering from stomach trouble." Sold by R. H. Briggs & Co. and S. Vann & Son.

A Very Close Call.
I stuck to my engine, although every joint ached and every nerve was racked with pain," writes G. W. Beaumay, a locomotive fireman, of Burlington, Iowa. "I was sick and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters, and after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new strength and vigor from their use. Try them. Satisfaction guaranteed by all druggists. Price 50 cents.

Mr. and Mrs. K. T. Lamy of Chicago are in the city and will take a leading part with the Eagles in the production of Mrs. Berry's opera "Chrysanthemum," which will be given at the new opera house sometime in February. The visitors are talented people, and will aid materially in making the Eagles' entertainment a grand success.

Brain Food Nonsense.
Another name for food had been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good our food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aid digestion, stimulate the liver to healthy action, purify the blood, and make you feel buoyant and vigorous. You can get this reliable remedy at drug stores. Price 25c and 50c.
